NINE SQUARES

Incident: Seeing My Dog Again

 <p>The quinta in Argentina</p>	 <p>First, I saw her running toward the gate.</p>	 <p>Next, we looked at each other. I said, "I'm sorry I had to leave you."</p>
 <p>We said, "Good bye."</p>	 <p>I went to have tea with my friend.</p>	
	<p><i>Note: Students do not have to fill all nine squares; they use as many as they need to draw their story.</i></p>
